

Doing Good Together

13.000 tulips for our heroes

Inspired by the campaign "**Flor Alimento Pra Alma**" (Flower Food to the Soul), initially promoted in May 2020 by the Dutch Embassy in Brasília, Dutcham donated more than 13.000 tulips to two hospitals in the city of São Paulo. The campaign was to honour the health professionals who work on the front line fighting against COVID-19.

The campaign took place on July 16 and 17, 2020 at Hospital da Mooca (Hospital Municipal Ignácio Proença) and at Hospital do Itaquera (Hospital Waldomiro de Paula).

More than 1.200 professionals received a nice bouquet of tulips as recognition for their dedication and hard work over the last months.

Dutcham wishes all medical staffs across Brazil lots of courage and strength during these difficult times!
